EXPANDED LEARNING OPPORTUNITIES PROGRAM PLAN GUIDE

Prepared by: Expanded Learning Division

California Department of Education 1430 N Street, Suite 3400 Sacramento, CA 95814-5901 916-319-0923

This Program Plan Template Guide is required by California *Education Code* (*EC*) Section 46120(b)(2)

Note: This cover page is an example, programs are free to use their own logos and the name of their program.

Name of Local Educational Agency and Expanded Learning Opportunities Program Site(s)

al Agency (LEA) Name:	Orange County Classical Academy
Semi Park	
I: <u>Semi.Park@OrangeCountyClassicalAcademy.Org</u> e: <u>(657) 223-9420</u>	

Instructions: Please list the school sites that your LEA selected to operate the Expanded Learning Opportunities Program (ELO-P). Add additional rows as needed.

1	OCCA Lower School - 4100 E. Walnut Ave, Orange, CA 92869
2.	OCCA Upper School - (Address TBD)
3.	
5.	
6.	
7.	
8.	

Purpose

This template will aid LEAs in the development of a program plan as required by *EC* Section 46120(b)(2). In this program plan, LEAs will describe program activities that support the whole child, and students' Social and Emotional Learning (SEL) and development.

Definitions

"Expanded learning" means before school, after school, summer, or intersession learning programs that focus on developing the academic, social, emotional, and physical needs and interests of pupils through hands-on, engaging learning

experiences. It is the intent of the Legislature that expanded learning programs are pupil-centered, results driven, include community partners, and complement, but do not replicate, learning activities in the regular school day and school year. (*EC* Section 8482.1[a])

"Expanded learning opportunities" has the same meaning as "expanded learning" as defined in *EC* Section 8482.1. "Expanded learning opportunities" does not mean an extension of instructional time, but rather, opportunities to engage pupils in enrichment, play, nutrition, and other developmentally appropriate activities. (*EC* Section 46120[e][1])

Instructions

This Program Plan needs to be approved by the LEA's Governing Board in a public meeting and posted on the LEA's website.

The program plan template guide is considered a living document that is periodically reviewed and adjusted to reflect the needs of the community, updates in the law, and to provide continuous improvement in the development of an effective ELO-P.

The LEA is responsible for creating, reviewing, and updating the program plan every three years in accordance with *EC* Section 8482.3(g)(1). LEAs are encouraged to work collaboratively with partners and staff to develop and review the program plan. The LEA is responsible for the plan and the oversight of any community partners or subcontractors. The LEA should include any partners in the development and review of the plan. It is recommended that the plan be reviewed annually.

The Expanded Learning Division adopted the *Quality Standards for Expanded Learning in California* (Quality Standards) and introduced requirements for Continuous Quality Improvement (CQI) to help programs engage in reflection and be intentional about program management practices and activities delivered to students. To create the program plan, provide a narrative description in response to the prompts listed under each Quality Standard below. The LEA may customize and include additional prompts, such as describing SEL activities, or refining the plan. In addition to the narrative response, it may be useful to include tables, charts, or other visual representations that contribute to the understanding of the ELO-P. LEAs are encouraged to download and reference the Quality Standards in order to provide ongoing improvements to the program. The Quality Standards can be found on the California Department of Education's (CDE) Quality Standards and CQI web page, located at https://www.cde.ca.gov/ls/ex/qualstandcqi.asp.

1—Safe and Supportive Environment

Describe how the program will provide opportunities for students to experience a safe and supportive environment. Include if the program will be offered on the schoolsite or off campus. If not on site, describe where in the community it will be and how students will be supported to get there.

All staff overseeing OCCA ELO-P programming will receive full staff safety training, and will follow the protocols and plans specified in the OCCA Safety Comprehensive Plan. Additionally, staff will also replicate and deploy the discipline protocol that OCCA uses to maintain a strong, clear, and consistently managed environment. There will be clear communication between staff and parent for not only students to feel supportive but for parents as well

2—Active and Engaged Learning

Describe how the program will provide opportunities for students to experience active and engaged learning that either supports or supplements, but does not duplicate, the instructional day.

OCCA ELO-P programming will encompass a full range of academic and enrichment activities from academic intervention in all subject areas, including ELD for Unduplicated students, academic remediation and enrichment for core academic subjects, homework support for students who struggle, tutoring, reading comprehension skills development, hands on math manipulative activities, as well as art and storytelling enrichment.

3—Skill Building

Describe how the program will provide opportunities for students to experience skill building.

Activities offered by our ELO-P programming will target critical skills for each stage of student development, from fine motor skills for lower grades like cutting, drawing, glueing, to academic skills and also opportunities for social skills enrichment.

4—Youth Voice and Leadership

Describe how the program will provide opportunities for students to engage in youth voice and leadership.

OCCA's focus as a Classical School is the development of student character through a content rich and coherent liberal arts and sciences curriculum. At the center of our pedagogy is a focus on the development of the skills and character necessary for Socratic engagement in the classroom environment. This entails, among other things, a rich, expressive and discursive approach to schooling and an active participation on the part of the students in the topics and activities being discussed and engaged in.

5—Healthy Choices and Behaviors

Describe how the program will provide opportunities for students to engage in healthy choices and behaviors. Describe how students will be served nutritious meals and/or snacks during the ELO-P hours of programing.

Because our focus as a school is on character and virtue, our students are taught to reflect on their actions in light of our schools six pillars of moral character: responsibility, respect, courage, courtesy, honesty, and citizenship. In our ELO-P program we will continue to build our activities around these moral principles to ensure our curriculum is consistent with the virtue centered mission of our school.

6—Diversity, Access, and Equity

Describe how the program is designed to address cultural and linguistic diversity and provide opportunities for all students to experience diversity, access, and equity. Describe how the ELO-P will provide access and opportunity for students with disabilities.

One of the major targets of our ELO-P program is providing supplemental ELD instruction to our English Learner and unduplicated student population. Our Literacy Essentials reading program is particularly effective for this population as shown in our ELPAC results from the previous school year which shows 100% of our EL students attaining English proficiency compared to less than 15% in our district and in the state.

7—Quality Staff

Describe how the program will provide opportunities for students to engage with quality staff.

Our ELO-P program will be staffed entirely with existing OCCA staff fully trainined and qualified for our program.

8—Clear Vision, Mission, and Purpose

Describe the program's clear vision, mission, and purpose.

The Mission of Orange County Classical Academy is to develop students in mind and character through a classical, content-rich liberal arts and sciences curriculum that emphasizes the principles of scholarship, moral character, and civic virtue. Our ELO-P program will be aligned with this mission and purpose as it is our conviction that successful education is morally as well as intellectually formative and educates the whole child, not just mind but also the heart and character.

9—Collaborative Partnerships

Describe the program's collaborative partnerships. Local educational agencies are encouraged to collaborate with non-LEA entities to administer and implement ELO-P programs.

Included in our ELO-P programming will be plans to visit museums, science centers and numerous other locations that offer similar stimulating opportunities for student enrichment.

10—Continuous Quality Improvement

Describe the program's Continuous Quality Improvement plan.

Similar to our OCCA CQI plan, our ELO-P program will undergo a needs assessment review at the end of the school year where staff and administration, with added input from students and parents, will reflect on the strengths and opportunities for improvement of our ELO-P programming for the next year which will inform an improvement plan to then be executed for the next school year.

11—Program Management

Describe the plan for program management.

Our ELO-P program will be managed by an ELO-P coordinator and supported by school administrators including our Assistant Headmaster of Lower School, our Director of School Development and Culture, and will be staffed by qualified full-time Instructional Assistants for morning and afternoon sessions and intersession days.

General Questions

Existing After School Education and Safety (ASES) and 21st Community Learning Centers (21st CCLC) Elementary and Middle School grantees.

ASES, 21st CCLC Elementary/Middle School, and the ELO-P should be considered a single, comprehensive program. In coordinating all these funding streams to move towards a single program, the expectation is that the most stringent requirements will be adopted for program guidance. If one or both grants are held, please describe how the ELO-P funding will be used to create one comprehensive and universal Expanded Learning Program.

Transitional Kindergarten and Kindergarten

Programs serving transitional kindergarten or kindergarten pupils shall maintain a pupilto-staff member ratio of no more than 10 to 1. (*EC* Section 46120[b][2][D]). Please address the proposed schedule and plan for recruiting and preparing staff to work in the program, including supporting them to understand how to work with younger children. How will the lower pupil-to-staff ratio be maintained? How will the curriculum and program be developmentally-informed to address this younger age group?

Our ELO-P program will be staffed by existing OCCA Instructional Assistants already trained and experienced to support programs serving TK and Kinder. Additional support will be provided by existing instructional staff as needed to ensure compliance to ELO-P pupil-staff ratio requirments.

Sample Program Schedule

Please submit a sample program schedule that describes how the ELO-P or other fund sources, including the California State Preschool Program for children enrolled in transitional kindergarten or kindergarten, will be combined with the instructional day to create a minimum of nine hours per day of programming (instructional day plus ELO-P or other supports). Also, submit a sample schedule for a minimum nine-hour summer or intersession day.

ELO-P programming will offer the following supplemental hours:

1 hour prior to the standard instructional day (7:30-8:30am) during which time students will receive homework support, test/quiz prep, reading, and math manipulative work.

1-1.5 hours after the end of the instructional day (3:30-4:30pm for Upper School, 3:00-4:30pm for Lower School) during which time students will receive homework support, ELD, Literacy/Math tutoring, and reading support.

ELO-P programming on instructional days totals 2 - 2.5 hours which combined with the 6.5 hrs of our standard instructional day totals 8.5 - 9 hrs.

Below are additional legal requirements for the ELO-P. Please ensure your Program Plan meets all of these legal requirements:

EC Section 46120(b)(2):

[LEAs] operating expanded learning opportunities programs may operate a before school component of a program, an after school component of a program, or both the before and after school components of a program, on one or multiple school sites, and shall comply with subdivisions (c), (d), and (g) of Section 8482.3, including the development of a program plan based on the following;

(2) [LEAs] operating expanded learning opportunity programs pursuant to this section may operate a before school component of a program, an after school component of a program, or both the before and after school components of a program, on one or multiple schoolsites, and shall comply with subdivisions (c), (d), and (g) of Section 8482.3, including the development of a program plan based on all of the following:

(A) The department's guidance.

(B) Section 8482.6.

(C) Paragraphs (1) to (9), inclusive, and paragraph (12) of subdivision (c) of Section 8483.3.

(D) Section 8483.4, except that programs serving transitional kindergarten or kindergarten pupils shall maintain a pupil-to-staff member ratio of no more than 10 to 1.

EC Section 46120(b)(1)(A):

On schooldays, as described in Section 46100 and Sections 46110 to 46119, inclusive, and days on which school is taught for the purpose of meeting the 175-instructional-day offering as described in Section 11960 of Title 5 of the California Code of Regulations, in-person before or after school expanded learning opportunities that, when added to daily instructional minutes, are no less than nine hours of combined instructional time and expanded learning opportunities per instructional day.

EC Section 46120(b)(1)(B):

For at least 30 nonschooldays, during intersessional periods, no less than nine hours of in-person expanded learning opportunities per day.

EC Section 46120(b)(3):

[LEAs] shall prioritize services provided pursuant to this section at schoolsites in the lowest income communities, as determined by prior year percentages of pupils eligible for free and reduced-price meals, while maximizing the number of schools and neighborhoods with expanded learning opportunities programs across their attendance area.

EC Section 46120(b)(4):

[LEAs] may serve all pupils, including elementary, middle, and secondary school pupils, in expanded learning opportunity programs provided pursuant to this section.

EC Section 46120(b)(6):

[LEAs] are encouraged to collaborate with community-based organizations and childcare providers, especially those participating in state or federally subsidized childcare programs, to maximize the number of expanded learning opportunities programs offered across their attendance areas.

EC Section 46120(c):

A [LEA] shall be subject to the audit conducted pursuant to Section 41020 to determine compliance with subdivision (b).

EC Section 8482.3(d):

[LEAs] shall agree that snacks made available through a program shall conform to the nutrition standards in Article 2.5 (commencing with Section 49430) of Chapter 9 of Part 27 of Division 4 of Title 2.

[LEAs] shall agree that meals made available through a program shall conform to the nutrition standards of the United States Department of Agriculture's at-risk afterschool meal component of the Child and Adult Care Food Program (42 United States Code [U.S.C.] Section 1766).

EC Section 8482.6:

Every pupil attending a school operating a program . . . is eligible to participate in the program, subject to program capacity. A program established . . . may charge family fees. Programs that charge family fees shall waive the cost of these fees for pupils who are eligible for free or reduced-price meals, for a child that is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 11434a), or for a child who the program knows is in foster care. A program

that charges family fees shall schedule fees on a sliding scale that considers family income and ability to pay.

EC sections 8483.4 and 46120(b)(2)(D):

The administrator of every program established pursuant to this article shall establish minimum qualifications for each staff position that, at a minimum, ensure that all staff members who directly supervise pupils meet the minimum qualifications for an instructional aide, pursuant to the policies of the school district. Selection of the program site supervisors shall be subject to the approval of the school site principal. The administrator shall also ensure that the program maintains a pupil-to-staff member ratio of no more than 20 to 1. All program staff and volunteers shall be subject to the health screening and fingerprint clearance requirements in current law and district policy for school personnel and volunteers in the school district, except that programs serving transitional kindergarten or kindergarten pupils shall maintain a pupil-to-staff member ratio of no more than 10 to 1.

EC Section 8482.3(c)(1)(A-B):

Each component of a program established pursuant to this article shall consist of the following two elements:

(A) An educational and literacy element in which tutoring or homework assistance is provided in one or more of the following areas: language arts, mathematics, history and social science, computer training, or science.

(B) An educational enrichment element that may include, but need not be limited to, fine arts, career technical education, recreation, physical fitness, and prevention activities.
